

Leading the Way

Become a Corporate Leader today and make a lasting impact on Wayne County

The United Way of Wayne County helps the community thrive by uniting local resources and community goodwill. We work with local agencies to support long-term solutions that help diminish poverty for those most vulnerable.

When you partner with United Way of Wayne County, you have the opportunity to enhance your company's philanthropic image and visibility in the community. You create a win-win partnership that benefits your company, and illustrates your organization's commitment to the community through United Way.

Consider giving at one of the levels below. Together we can make a real difference!
