## **TOGETHER, We Can Do A Lot of Good**

**Newark, N.Y., February 16, 2018** - Did you know that **Education, Health and Emergent Crisis Needs** programs, are part of the critical building blocks for a better quality of life and a strong community? That is why your **United Way of Wayne County** joins with other trusted community partners to provide those services now and has been helping the community for over eight decades! We invest in programs that help people flourish in your town—and the entire Wayne County community.

The United Way of Wayne County Community Fund's new investment priorities are:

1. **EDUCATION-** Providing youth with the resources they need to succeed in school, work and life.
2. **HEALTH-** Increase peoples healthy behaviors to improve the quality of life for toddlers, elders and everyone in-between.
3. **CRITICAL NEEDS** -Assisting individuals and families to navigate a crisis by providing emergency and basic needs support.

When you give to **United Way of Wayne County Community Fund** your donation stays local:

- *helping your neighbors put food on the table*
- *reducing the risk of child abuse and neglect to be successful in school and life*
- *providing a safe shelter for domestic violence victims to stabilize their lives*
- *helping people with emergency basic needs to avoid long-term hardships*
- *supplying needed tools for all ages to achieve better mental and physical health to thrive*

This year the United Way Spring Campaign will run from March to May. You have an opportunity to support United Way of Wayne County Community Fund through your workplace, mailing in your donation or by giving on line at [www.uwaynecounty.org](http://www.uwaynecounty.org). Thank you to all the businesses and school districts who contributed during the United Way Fall Campaign.

We're going to blast right by what we raised last year, and your donation will be invested where the community impact will be the greatest! For more information go to our website or call 315-331-2773. Without you, there is no us.
