United Way of Wayne County Names Honorary Campaign Chairs

Newark, N.Y., February 27, 2018 - The United Way is about people helping people and making a positive impact across the entire community. The annual campaign does just that: coordinates a collective effort of many to do the most good for the local community. Each year, through individual and corporate donations and workplace giving programs, the annual United Way campaign raises funds to support local programs that are working to make our community better.

To help achieve this goal, United Way of Wayne County has named **Bob and Leslie Ohmann** as Honorary Campaign Chairs of the United Way campaign and is emphasizing the role volunteer leaders' play in the success of the campaign and the United Way mission.

Bob and Leslie are looking forward to doing what they can to bring awareness about the campaign and encourage others to join them in supporting the United Way. "We recognize the impact of the United Way here in Wayne County. There are many organizations that simply would not be able to provide the necessary services for the members of our communities without the assistance of the United Way. We are excited for the launch of the 2018 campaign and view it as a privilege to be ambassadors for the United Way of Wayne County," said the Ohmann's.

When you give to **United Way of Wayne County Community Fund** your donation stays local.

- helping your neighbors put food on the table
- reducing the risk of child abuse and neglect to reach success in school and life
- providing a safe shelter for domestic violence victims to stabilize their lives
- helping people with emergency basic needs to avoid long-term hardships
- supplying needed tools for all ages to achieve better mental and physical health to thrive

This year the United Way Spring Campaign will run from March to May. You have an opportunity to support United Way's Community Fund through your workplace, mailing in your donation or by giving on line at www.uwwaynecounty.org.

United Way of Wayne County is a volunteer driven organization that unites the good will and resources of the Wayne County community so everyone can thrive.
