

Stronger Together!

Call to Action!!!

Could you spare 2 hours once a month to volunteer?

Wayne County's Meals-on-Wheels is VERY shorthanded in Lyons and Newark. Is your business, group or organization looking for volunteer opportunities?

Wayne County's Meals-on-Wheels purpose is to provide and deliver hot meals at lunch time to home bound persons living within the county, can you help in your town?

A critical point has been reached in Wayne County, client needs are growing, so new routes are being created but that takes "new" volunteers. Just *once a month or one time, all help is appreciated*, a volunteer picks up meals at 11:30, delivers at lunch-time and returns. It is about a **2-hour** commitment. They would love to hear from you, please call Kathy at, 315-332-8844 for more information.
