

**UNITED WAY OF WAYNE COUNTY  
Announces  
2021 Campaign Chair  
Alexa Wessie**

*A Message from Alexa Wessie*

I am excited and honored to continue to serve in the role of Campaign Chair for the United Way of Wayne County! As a board member who volunteers and wears many hats, I am acutely aware of the importance of United Way in our community.

With so many impacted by the effects of the COVID-19 pandemic, we all have a role in supporting each other as we respond, recover and reinvent. While this is a once-in-a-generation health crisis, it also triggers a once-in-a-generation opportunity to create new solutions which will help us emerge as a stronger community and society.

The 2021 campaign is all about taking-action today to ensure a better tomorrow. When you donate to United Way of Wayne County Community Impact Fund, you can feel good knowing your donation goes further, helping more than 20 local agencies that focus on Health, Education and Financial Stability. We are here to assist you in your planning efforts to execute the type of fundraising campaign that makes the most sense for your organization. Now is the time to make a difference in your community.

I am confident that with your support, we can raise the resources our neighbors, friends, coworkers and families depend on all year long.

Regards,

*Alexa Wessie*
