Authorizing a Regular Payroll Deduction

I understand that I am under no obligation to contribute to United Way of Greater Rochester. If I decide to contribute to United Way by authorizing deductions from my pay to be forwarded to United Way, it is a decision I make voluntarily. I understand that the amount I authorize to be deducted will be subtracted from my pay for any pay period in 2020-2021 in which my pay is large enough to cover the deduction. If there is a pay period in which my pay is insufficient to cover the United Way deduction after all legally required deductions are made, my employer will not make a United Way deduction for that pay period. If a United Way deduction is missed for any reason, it will not be made up on a later date without my express written direction. I understand that I may revoke my United Way deduction authorization at any time by informing my employer in writing, and that my revocation will be effective within four pay periods or eight weeks, whichever is sooner.

- To cover the cost of processing gifts to donor designated agencies, a fee equivalent to eight percent of the amount of the designated gift will be deducted from each gift before it is forwarded to the agency of choice. All gifts are subject to a pledge loss reserve charge.
- In accordance with the statement of Financial Accounting Standards 116, United Way will make every effort to forward your gift to the organization to which you designate. However, if the organization is not in compliance with current United Way policy, or if this form is not completed as directed, United Way reserves the right to redirect your gift to support United Way's Community Impact Fund. For more information, please call (585) 242-6527.
