COMMUNITY FUND
IMPACT AREAS 2021-2022**

Impact Areas- What	Why?	Outcomes
 <p>Health-Healthy Living -Families and individuals have their basic needs met, safe places to live, social and emotional connections to positively impact their quality of life.</p>	<p><i>A large percentage of a person's health and overall wellbeing is related to social determinants of health— those life experiences and conditions in which people are born, grow, live, work and age.</i></p>	<p>Basic needs are met.</p> <p>Increased access to nutritious food and the availability of emergent needs including food, clothing, shelter, utility and medication assistance.</p> <p>Positive, sustaining social and emotional connections are built throughout an individual's lifespan.</p> <p>Resources for victims of interpersonal violence. Individuals and families who have experienced trauma have opportunities to heal.</p>
 <p>Education-Kids have the support they need to learn, grow and thrive.</p>	<p><i>Success begins with a well-rounded, quality education. Out of school time and summer are key to hitting positive educational milestones that ultimately lead to greater achievements.</i></p>	<p>Children achieve developmental milestones.</p> <p>Kids have long-term positive mentoring relationships.</p> <p>Kids develop strong self-esteem and are empowered to make healthy choices.</p> <p>Kids have access to social, emotional and physical health programs during after school and summer time.</p> <p>Youth successfully transition to young adulthood and graduate from high school.</p> <p>Young people receive career exploration and preparation.</p>
 <p>Economic Mobility -People have access to the necessary tools and opportunities to increase income, build wealth and improve financial stability.</p>	<p><i>Families and individuals can thrive with the financial, social, and personal assets to improve their own quality of life.</i></p>	<p>People have opportunities to gain meaningful employment through education and training.</p> <p>People have the skills to maintain meaningful employment by development of soft skills to increase job retention.</p> <p>Low-income individuals and families have improved financial health and stability.</p>
